Service and Mission Grant Guidelines

Community Mennonite Church (CMC) supports youth, young adults and older adults who want to pursue service and mission opportunities. To that end, the Outreach Commission (OC) has the following policy guidelines:

Youth, age 14-18

1. OC will consider financial support of youth who regularly attend CMC and interested in short-term service and mission projects.

Young adults, age 18-25

2. Young adults who regularly attend CMC, are eligible for a grant of \$2,000 to help meet the cost of a voluntary service term (with organizations such as Mennonite Voluntary Service).
3. Young adults who wish to continue a service term (and previously received a grant as in #2 above) are eligible for a renewal grant limited to \$1,000.

Older adults, age 25+

4. Adults who are members of CMC are eligible to receive support for their mission work (which must be congruent with OC Decision-making Guidelines), but are limited to long term service. The amount of such grants will be determined by the discretion of OC members year by year, and is dependent on available funds.
