## Community Mennonite Church

## End of Life Planning Form

This record, once completed and signed, will be kept at the church office in your confidential (locked) personal file. You many change or discard it at any time by contacting the church office directly and stating your wishes. We recommend you also keep a current copy of this form with your important papers. You may also want to share it with another member of your family. Completing and filing it with the church now will be extremely helpful for family members and pastors in order to carry out your plans and wishes at the time of your death. Attach additional pages if needed.

I have a pre-made casket. It is being stored at
Other casket preferences/notes:
The location I prefer for my funeral/memorial service is
I prefer to have a
funeral (body is present at the service; a short graveside service and burial follow)
memorial service (public service is preceded by a short family prayer service, grave side service and burial)
I want a funeral at minimal cost
I leave the financial arrangements to my survivors' discretion
These scriptures and writings have been meaningful to me:
These hymns and songs are some of my favorites
I would like, if possible, for the following person(s) to assist in the service

	I would like the following pallbearers (6-8)
